

Summary Statistics

November 19, 2021

Table 1: Among participants who were randomized at each decision point, what percentage completed the self-monitoring survey? Note that we do not include participants who did not select their preferred product or charity at baseline.

Decision Point	No. Participants Randomized	No. Completed Self-Monitoring	% Completed Self-Monitoring
1	583	466	79.93
2	492	365	74.19
3	455	296	65.05
4	439	264	60.14
